Our Company

Cornerstone Manufacturing, Inc. is a family owned and operated business. With over 40 years of manufacturing experience, Cornerstone is proud to combine versatility, craftsmanship, and efficient service to our customers.

We work diligently to meet each customer's individual needs — assisting them in “Just In Time” and “Lean Manufacturing”.

Cornerstone is a member of the Eaton Chamber of Commerce, Dayton Tooling and Machining Association, and is registered with the CCR and Pro-Net.SBA.

Special Machines	Assembly

Current Equipment Capability

- 2009 Hurco VM-2 Machining Center with 4th Axis
- 2008 Hurco VM-1 Machining Center
- 2007 Hurco VM-1 Machining Center
- 2006 Hurco VM-1 Machining Center
- Mazak VTC200B Vertical Machining Center with 4th Axis
- 2012 Samsung SL20 MC Turning Center with Live Tooling
- 2014 Samsung SL15 Turning Center
- 2016 Samsung SL20 Turning Center with a Rebel V65 60” Bar Feed
- 2016 Samsung SL20 Turning Center with 2-1/2” Dia. X 12’ LNS Bar Feed
- 3 (3) Sport K-3 Vertical Milling Machines with Prototrak Two Axis CNC Control
- Clausing EVS Mill with Accurite Two Axis Control
- Clausing/Kondia FV1 Vertical Milling Machine with Prototrak Two Axis CNC Control
- Supertec 8” X 20” Internal/External Grinder with PLC Control
- 2007 Sharp 1660LV Lathe
- Chevalier FSG-2A1020 Surface Grinder
- Okamoto Surface Grinder

Versatility, craftsmanship, and efficient service enable you to get precisely the parts you need, when you need them, at competitive costs.
